Please find attached a list of judges' names and as much information as we have available. This is a compilation of previous judges lists, names recommended to us, or other sources. Cornell Cooperative Extension in no way endorses the use of any of these judges.

Remember that 4-H judges need to not only be good horse show judges, but they also need to have excellent skills for working with youth, volunteers, and other adults. We strongly recommend that before a judge is hired - to check references to help insure a positive educational experience for the youth.

This list is compiled and maintained by the office of Jean T. Griffiths, Extension Horse Specialist, Cornell University, Department of Animal Science, 125 Morrison Hall, Ithaca, NY 14853 (Phone: 607-255-2857; E-mail: jtg4@cornell.edu).

Copies can be obtained through the Cornell Cooperative Extension offices in each county in New York State. This list is posted to the web site at <http://www.ansci.cornell.edu/4H/horses/index.html>
