

Happy Trails To Y'all

All good things come to an
end ...

Trigger also needs to go to
greener pastures ...

Time Well Spent

Some Perspectives

Beyond the great science – grooming the next generation is important.

Include the young!

- WSOM 2014: Two 6-month olds
- WSOM 2016: One 2-years old

Eevee Mendenhall (photo: Pilar Gomez-Gil)

We challenge WSOM 2017 (2018?) to improve on the number of WSOM apprentices.

Proceedings

On-line
for a limited time
at wsom2016.rice.edu

WSOMs Continue

- WSOM will be held again, in about 18 months, probably in the summer of 2017
- The location will probably be in France
- Stay tuned for announcement soon
