I. **Announcements** – None

II. **Discussion**

There was brief discussion about the CAS curriculum committee request for changing review procedures for CAS courses.

The committee discussed feedback they give to requestors. There was agreement that they need to include accreditation information about issues they see with submissions.

The idea was brought up that the committee may want to investigate the possibility of having courses reviewed and approved by the Senate as they are approved by UOCC. No decision or proposal was made.

- **√ ANTH 173** – UOCC approved.

**AEIS courses** – Need syllabi in Courseleaf. Sara or Christian to send to Kathy. There was question regarding keeping AEIS 421/521 separate if each are assigned a different subject code, AEIS421/GDST521.

- **EDLD 614** – need clarification on lecture delivery.

**EDLD** – change needed in CourseLeaf to reflect that they are connected to each other. Attach C. Martinez’s email to course. Kathy to make changes to CourseLeaf.
