

Undergraduate Research Symposium 2018

Call for Volunteers

The Undergraduate Research Symposium Planning Committee invites you to serve as a volunteer for the Eighth Annual Undergraduate Research Symposium on Thursday, May 17 in the EMU.

To honor the original research and creative work of our students, the Undergraduate Symposium strives to frame the environment of an academic conference, and the role of the volunteer plays an integral part in this endeavor.

The 2018 Symposium anticipates exceeding last year's record 292 presenters distributed across 21 oral presentation panels, four creative work sessions, 126 posters, several FIG and ARC group presentations.

Volunteers are welcomed to sign-up for one or more one-hour shifts between 7:00pm and 11:30pm on Wednesday, May 16 and 8:00am and 8:00pm on the day of the Symposium.

Volunteers will perform the following responsibilities:

- assisting with pre-Symposium set-up and poster installation
- staffing the registration desk and assisting with check-in
- assisting with the installation of posters and creative work exhibits
- ushering presenters, faculty mentors, and guests to presentation locations/rooms
- assisting with venue set-up and take-down
- offer general support and reassurance to students who are likely presenting their research in a public form for the first time
- assist Symposium staff, oral panel moderators, and faculty judges as needed

If you wish to accept our invitation to serve as a volunteer please complete the brief survey linked below by Thursday, May 11 at 5:00pm.
