Undergraduate Minor in Historic Preservation Intent Form

The minor in historic preservation requires a minimum of 27 credits: AAAP 411 Introduction to Historic Preservation (3 credits); 12 credits of historic preservation core coursework; and 12 credits of related coursework. An undergraduate course of study form, which lists all course options for the minor, is available on the HP program website (http://hp.uoregon.edu/minor) and in the A&AA Admin office (254 Lawrence Hall). Consultation with the historic preservation program director will assist you in determining your specific course of study to satisfy the minor requirements.

The minor is available to all UO undergraduates upon approval of the program director. Please complete this form and set an advising appointment with the program director, Dr. Kingston Heath (kwheath@uoregon.edu), to add the minor. Once completed, please submit your form to the A&AA Admin office (254 Lawrence Hall) for processing. For further information about the HP minor please visit our website, http://hp.uoregon.edu/minor, or contact the A&AA Admin team at histpres@uoregon.edu
