

SECOND ANNUAL SYMPOSIUM ON WATER IN ISRAEL AND THE MIDDLE EAST HELD ON MAY 24, 2017

The Northwestern Center for Water Research, The Crown Family Center for Jewish and Israel Studies and The Buffett Institute for Global Studies co-sponsored *Water in Israel and the Middle East: Regional Water Sustainability and Resilience* on May 24, 2017 in Hardin Hall on Northwestern's Evanston Campus.

Co-leaders of the symposium were Aaron Packman (left), Director of Northwestern Center for Water Research and Professor of Civil Engineering and Elie Rekhess (right), Crown Visiting Professor in Israel Studies and Professor of History at Northwestern.

Watch our website for more reports from the symposium.
